Safety Data Sheet – SDS

Product name / Trade name

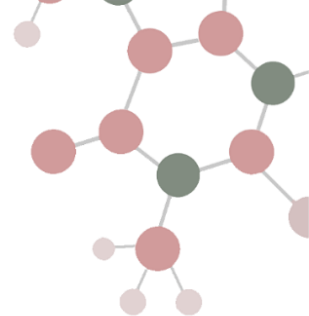

KAFFIBRE

Product code

02001

SDS version

4.0 / March 2022

SECTION 1. Identification of the substance/preparation and of the company/undertaking

1.1 Identification of the substance or preparation

Trade name: KAFFIBRE

INCI name: Coffea Arabica Seed Powder

CAS No.: 84650-00-0

EC No.: 283-481-1

1.2. Relevant identified uses of the substance or mixture and uses advised against

Relevant identified uses: Cosmetic ingredient

Uses advised against: No information available

1.3 Details of the supplier of the safety data sheet

Kaffe Bueno ApS

Maskinvej 5, Alfa Laval Innovation House, 2860 Søborg, Denmark

Tel: +45 71 46 00 21

1.4 Emergency telephone number

The Danish Environmental Protection Agency

Tel: +45 72 54 40 00

SECTION 2. Hazards identification

2.1. Classification of the substance

Classification according to Regulation (EC) No 1272/2008 [CLP]: Not classified as hazardous

2.2 Label elements: Not applicable

2.3 Other hazards: None when used properly

SECTION 3. Composition/information on ingredients

3.1 Substances

Substance name (INCI)	CAS No.	EC No.	Concentration	Classification according to Regulation (EC) No. 1272/2008
Coffea Arabica Seed Powder	84650-00-0	283-481-1	100 %	Not classified

SECTION 4. First aid measures

4.1 Description of first aid measures

General information: In case of doubt, or when symptoms persist, seek medical attention

Following eye contact: Rinse thoroughly with water. In case of irritation, seek medical advice

Following skin contact: Wash with water and soap. Not dangerous or no adverse effects expected

Following ingestion: No adverse effects expected. Seek medical attention if undesired effect occurs

Following inhalation: No adverse effects expected. Seek medical attention if undesired effect occurs

4.2 **Most important symptoms and effects, both acute and delayed:** None known

4.3 **Indication of any immediate medical attention and special treatment needed:** None known

SECTION 5. Firefighting measures

5.1 Extinguishing media

Suitable extinguishing media: Carbon dioxide, dry chemical or foam

Unsuitable extinguishing media: Water spray

5.2 Special hazards arising from the substance or mixture

Hazardous combustion products: Smoke, carbon monoxide and carbon dioxide

5.3 **Advice for fire-fighters:** Use adequate protective gear and clothing

SECTION 6. Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

For non-emergency personnel

Protective equipment: Not dangerous. Wear suitable protective clothing and gear

Emergency procedures: Not applicable

For emergency responders

Personal protective equipment: Not dangerous. Wear suitable protective clothing and gear

6.2 **Environmental precautions:** Do not empty into drains

6.3 **Methods and material for containment and cleaning up:** Take up mechanically (e.g., sweeping, shovelling, etc.) and collect in suitable container for disposal

6.4 **Reference to other sections:** See relevant information in section 8

4.0 / March 2022

SECTION 7. Handling and storage

- 7.1 **Precautions for safe handling:** Handle in accordance with good industrial hygiene and safety practices
- 7.2 **Conditions for safe storage, including any incompatibilities:** Store protected from light and humidity in tightly closed container and at room temperature. Keep away from and avoid contact with heat, sources of ignition and strong oxidizing agents
- 7.3 **Specific end uses:** Cosmetic ingredient

SECTION 8. Exposure controls and personal protection

- 8.1 **Exposure limit values:** No additional information available
- 8.2 **Exposure controls**
Appropriate engineering controls: No additional information available
Personal protective equipment
Eye / Face protection: Safety glasses are recommended
Skin protection
Hand protection: Wear suitable gloves
Body protection: Wear suitable protective clothing
Respiratory protection: Not protective equipment is needed under normal use conditions
- 8.3 **Environmental exposure controls:** Do not empty into drains

SECTION 9. Physical and chemical properties

- 9.1 **Information on basic physical and chemical properties**
Appearance: Fine powder
Physical state: Solid
Colour: Brown
Odour: Discreet notes of coffee
pH: 4.5-5.5
Melting point/freezing point: No data available
Flash point: No data available
Flammability (solid, gas): No data available
Upper/lower flammability or explosive limits: No data available
Vapour pressure: Not applicable
Vapour density: Not applicable

4.0 / March 2022

Relative density: No data available

Solubility in water: Partly soluble

Partition coefficient: n-octanol/water: No data available

Auto-ignition temperature: No data available

Decomposition temperature: No data available

Explosive properties: Not applicable

Oxidising properties: No data available

9.2 **Other information:** No additional information available

SECTION 10. Stability and reactivity

10.1 **Reactivity:** Stable and non-reactive under normal conditions of use

10.2 **Chemical stability:** See section 10.1. No additional information available

10.3 **Possibility of hazardous reactions:** None under normal conditions of use

10.4 **Conditions to avoid:** Direct light exposure, extreme temperatures, and heat

10.5 **Incompatible materials:** Oxidizing agents

10.6 **Hazardous decomposition products:** No hazardous decomposition products are known

SECTION 11. Toxicological information

11.1 **Information on toxicological effects**

Acute toxicity: Product does not present an acute toxicity hazard based on known information

Skin corrosion/irritation: No irritation is expected to occur under normal conditions of use

Serious eye damage/irritation: No irritation is expected to occur under normal conditions of use

SECTION 12. Ecological information

12.1 **Ecotoxicity:** Not determined

12.2 **Persistence and degradability:** Not determined. Considering the nature of the product, it is expected to be biodegradable

12.3 **Bioaccumulative potential:** Not determined

12.4 **Mobility in soil:** No additional information available

12.5 **Results of PBT and vPvB assessment:** No additional information available

12.6 **Other adverse effects:** No additional information available

SECTION 13. Disposal considerations

13.1 Waste treatment methods: Collect and waste in suitable and labelled containers and dispose according to local legislation

SECTION 14. Transport information

This product is not dangerous or hazardous in terms of transport regulations

SECTION 15. Regulatory information

15.1 EU regulations:

Not classified as a Dangerous Substance within the definitions of Directive 1999/45/EC

Not listed in Regulation (EC) No 1907/2006, Annex XIV (substances subject to authorization)

Not listed in Regulation (EC) No 1907/2006, Annex XVII (substances subject to restriction)

According to the Regulation (EC) No 1223/2009 and respective amendments, there are no restrictions on the use of this ingredient in cosmetic products

15.2 Chemical safety assessment: No additional information available

SECTION 16. Other information

The information contained herein is based on the present state of our knowledge and experience and upon sources which are believed to be credible but are offered without guarantee or warranty. This information does not imply any responsibility for loss, damage or expense derived from handling, use or disposal of this product. Users should review and follow relevant regulations to ensure full compliance
